About the 62nd International Young Lawyers' Congress - 2024

The AIJA Annual Congress will bring together participants from all around the world, representing every continent to foster their development around fundamental AIJA values: learn, network and develop.

In 2024, AIJA's 62nd International Young Lawyers' Congress comes to Madrid, where past and present meets seamlessly, where people from all over the world are welcomed, and where every meal, sight or experience is a unique opportunity to share an unforgettable moment. We will gather with a purpose of: *Thinking Globally – The Role of International Lawyers in a World Searching for Answers.*

All lawyers, but particularly young lawyers, have a central role to play in generation-defining global conversations that concern international security, rising nationalism, economic and health inequality between countries, protectionist worldwide trade, global health crises, climate change, energy transition and digitisation.

The 62nd International Young Lawyers' Congress organised by AIJA in Madrid will be the perfect forum to think globally and shape what the world should look like for the next generation.

**What better

Madrid to
meet and
network in
AIJA style!**

Social programme

Beyond the professional sphere, the AIJA Annual Congress provides an exceptional platform for building lasting relationships with fellow legal professionals from every corner of the globe. As we convene in this cosmopolitan setting, the Organising Committee encourages you to seize the opportunity to network, exchange ideas, and create bonds that will endure beyond these few days.

Modern and dynamic, Madrid seamlessly blends its rich history with contemporary vibrancy. Skyscrapers grace its skyline, housing corporate giants, while innovative architecture like the Cuatro Torres Business Area reflects its forward-looking spirit. Cutting-edge galleries, progressive cuisine, and a pulsating nightlife highlight the city's modern allure, embracing the future while treasuring its roots. Is this the perfect location to discuss the role of international lawyers in a world searching for answers? We think it is!

Social programme

As a sponsor of the Annual Congress, you have the opportunity to develop quality business relationships by having direct one-to-one engagement in a relaxed environment. All the academic programme, coffee and lunch breaks, and the three-day exhibition happen in one place every day. And the congress continues long after the academic sessions have ended. A variety of social events, including a welcome reception, opening ceremony, day out, gala dinner, afterparties, promise to bring

the congress to the most exclusive and vibrant venues in Madrid while providing a platform for networking with participants.

Here at AIJA, networking and building long-lasting connections is easy. Sponsoring the Annual Congress will be a perfect opportunity to highlight your organisation in the international legal sector and create a lasting bond with AIJA and its members for future ventures.
